## Waiting game

- Solid second quarter 2011
  - Level of maintenance expenses normalised.
  - Net operating income up by 4 % compared to last year.
  - Rental increase in CBD offices clearly visible.
- Positive revaluation of investment properties both in Finland and in Russia.
  - Main drivers are yield compression and increase in market rents.
- Property development projects are progressing as scheduled.
- Still work to be done with the occupancy rate.
  - The global economic uncertainty is affecting companies' behaviour in Finland, too.
- Ratina shopping centre is on the agenda.
  - Negotiations with anchor tenants active.
  - Preparations for construction work ongoing.

## Shopping Centres

#### Russia

Occupancy rate rose to 88.5 % from 87.7 %.

Occupancy rate increased 0.5 %-points from Q1/2011.

Occupancy rate decreased to 94.3 % from 97.4 %. This was due to one tenant's move within Sponda's properties.

Occupancy rate remained at 98.3 %; same as in the previous quarter.

New leases are signed at higher level than expiries\*. Trend is most visible in the central Helsinki.

Average rents have increased in the signed agreements\*.

Rents have stabilised, no major increases\*.

Moscow rents on the rise, St Petersburg seen modest upward changes.

Property values have risen due to lower yields and higher market rents.

Values have increased by nearly 2 % from the beginning of the year.

Values of shopping centres have remained roughly on previous quarter's levels.

Prime yields have started to decline in Moscow. St Petersburg is still stable.

<sup>\*</sup> The figure refers to average rental levels in new agreements compared to rental levels in expired leases in Sponda's portfolio.

## Prospects and financial targets

#### **Prospects**

- Sponda expects vacancy rates to continue falling in 2011. This assessment is based on the 2011 growth forecasts for the Finnish economy and increased demand for properties in prime locations.
- The net operating income in 2011 is expected to grow over 4 % compared to 2010 due to the expected fall in vacancy rate, the completion of property development projects during the year and property acquisitions.

#### Financial targets

- Long-term equity ratio target is 40 %.
- Dividend policy is to pay approx. 50 % of the operational cash earnings per share, taking into account of the economic situation and company's development needs.

## Strategy

- Sponda's strategic goal is to seek growth and profitability through customer-focused operations and active property development, by purchasing property, and through operating real estate funds in Finland and Russia.
- Sponda will focus on active portfolio management through divesting non-core properties, acquiring properties that the company considers to be in core locations and core segments.
- Sponda reviews its strategy regularly so that it can, if necessary, adjust its operations to prevailing market conditions.

## Strategy 2005-2010

2005	2006	2007	2008	2009	2010
